RESPONSE TO COMMUNICATION

Hon. Commissioner for Patents and Trademarks

Washington, D.C. 20231

SIR:

This is in response to a Communication of February 13, 2004. The Communication states the reply filed on November 11, 2003 is not fully responsive to the prior Office Action because of the following omission (s): all amendments filed on or after July 30, 2003 must comply with revised CFR 1.121, therefore changes made to the specifications, and drawings (replacement drawings) must be in the required format. Since the above-mentioned reply appears to be bona fide, applicant is given one (1) month or thirty (30) days from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. Extension of this time period may be granted under 37 CFR 1.136(a).

Applicants comply with the above-stated requirements regarding the amendments to the specification and to the drawings and enclose the drawings and the specification in accordance with 37 CFR 1.121

Respectfully submitted,

Gary Boccadutre
